Course Information

Our Year 4 Summer Intensive Courses are good for children moving into Year 5, whether they currently study with Phoenix or not. Those who are intending to move on to our Year 5 Courses, would benefit from the preparation this course provides, in preparation for the faster pace of learning in Year 5. Our classes have a maximum of 10 children to ensure that each child receives individual attention. This 2-week intensive tuition covers both Maths and English. Homework is given daily and is a consolidation of the classwork. The majority of the course is focused on teaching and revising all the main year 4 topics.

This course prepares children for:
