

YEAR 6 11+ INTERVIEW MASTERCLASS & 1 TO 1 MOCK INTERVIEW

OUR EXPERT LIVE PREPARATION HELPS YOUR CHILD SHINE IN SELECTIVE SCHOOL INTERVIEWS

Masterclass Format

Our 11+ Interview Masterclass is delivered in an online small-group setting, so that it's interactive and supportive. Our Experts offer guided practice to students in a focused three-hour session that blends teaching inputs with individual reflection.

This masterclass helps students build the confidence, communication skills and self-awareness needed to succeed in independent school interviews.

OUTCOMES:

By the end of the masterclass, students feel more prepared and more confident, with the skills needed to showcase their true potential.

WHAT THE SESSIONS COVERS:

Within the three-hour session, students explore common interview themes, practise forming and expressing opinions, and learn how to take part in polite, thoughtful discussion. This enables them to gain insight into what interviewers are looking for, and how to present themselves in a confident manner.

PRACTICE VIA GUIDED ACTIVITIES:

We believe that through focused and guided activities, practical exercises and model responses, students can develop stronger interview techniques. They also gain a clearer understanding of how to speak with confidence, since they gain insight on how to reflect on their strengths, interests and motivations, which they are encouraged to share when presenting themselves in interviews.
