Course Details

LOCATION: Online

COURSE LENGTH: September 2026 (8 weeks)

STUDY TIME: 90 minutes

DAYS: Friday

TIME: 4:30 - 6:00 pm

What to expect:

- This English Short Course is a comprehensive eight-week curriculum designed to prepare Year 5 students for competitive entrance exams.
- Our syllabus covers advanced vocabulary, spelling, grammar and punctuation (SPaG), word classes, morphology, and essential literary techniques such as inference and subtext. Our students are taught by highly qualified Experts in both English Language and Literature, who cover many language and structural techniques to ensure an advanced level of comprehension.
- Students are introduced to important learning tools such as Freytag’s Pyramid to help them structure narrative plots, with some focus on idioms, the rudiments of poetry and language techniques.
- Students are **given weekly homework assignments**, which are then marked individually and returned with detailed tutor feedback to reinforce progression and accuracy.
- The course includes timed exam simulations to give students opportunities to experience working under pressure.

Key Course Benefits
